

Grandview

"SENIOR LIVING
AT ITS BEST!"

*Serving the Eastern Montana
and Western North Dakota
community since 1965*

Since 1965, Grandview Retirement Home (Grandview) has been providing safe, comfortable and welcoming independent living for people 65 and older in the Glendive community. Our goal is to continue to provide this service well into the future. Our board is excited to inform you of an upcoming, necessary expansion project. Here are just a few reasons why:

- Grandview has 39 apartments
- currently 100% occupied
- waiting list of 51
- running at full capacity for 9.5 years

With Glendive's current rate of growth, come concerns regarding the lack of available housing across the board. Grandview has made it a priority to expand our housing capacity while keeping pricing at as low a rate as possible. Grandview currently employs 11 people (2 full time and 9 part time) and is governed by an independent volunteer Board of Directors.

Older adults living in Grandview are able to care for themselves, including attending to the needs of everyday life. Residents come and go as they please, participating in whichever activities strike their fancy. With this planned addition, we will be able to expand the number of apartments and the amenities offered to our current and future tenants.

Seniors are drawn to our facility not just for the shared amenities, but also for the chance to downsize the responsibilities of traditional home ownership, from yard work to expensive home repairs. There's also the social aspect: residents live, interact and play with others in the same phase of life, forging social bonds that lead to a richer, more satisfying retirement, and being aware of the need for socialization.

Here is what our project entails:

- 12 new apartments
- A community room- which can be made private for family gatherings and/or used for activities and events

How can you help? We request that you make a commitment to our senior community. Your generosity will make a difference in our ability to complete this expansion. We have enclosed a donor envelope for your convenience. Remember that every donation makes a difference.

Thank you in advance for your support.

Regards,

Grandview Retirement Home
